

September 2025

Dear Year 7 Parents and Carers,

We are excited to welcome your child to year 7 at Meols Cop High School and look forward to meeting our year 7 families at next week's information evening. This evening will provide an excellent opportunity for you to learn more about the school: our professional standards model, curriculum, homework policy and Year 7 motto. As well as offering you the opportunity to speak with staff about how your child has settled into life at Meols Cop.

**Event Details:**

Date: **Tuesday 9<sup>th</sup> September**

Time: **5:00pm**

Location: **Meols Cop School Hall**

The first couple of weeks of the new school year are always a time of adjustment and excitement as students transition into secondary school life. I would like to take this opportunity to update you on how the transition period has been progressing and how your child has been settling in.

**Transition and Settling In**

Our Year 7 students have shown great enthusiasm and adaptability as they navigate new routines, classrooms, and friendships. During the first week, our focus has been on helping them feel comfortable and confident in their new environment. Our pastoral team has been actively supporting students through this transition, providing guidance and reassurance when needed. It has been wonderful to see so many of them embracing the new challenges and opportunities that secondary school brings.

**Key Highlights:**

- **Team Building Activities:** These activities were aimed at helping students build new friendships and work collaboratively with their peers, building the sense of belonging in their new form groups.
- **Introduction to the Curriculum:** Students have started to engage with the Year 7 curriculum, and teachers have been impressed with their positive attitude and eagerness to learn. As well as students' ability to move around the building, familiarising themselves with movement between lessons, using our one-way system.
- **Introduction to our extra-curricular model:** Students have started to embrace the opportunities available at lunch and after school, showing independence and confidence to try new things and expand their experiences in school.

### **Looking Ahead**

As we move forward, we will continue to monitor and support your child's transition. Our team will be checking in regularly with Year 7 students to ensure they are settling in well. We encourage you to talk with your child about their day, ask about their new experiences, and support them as they adjust to this new chapter. Should you have any concerns or questions, please do not hesitate to reach out to your child's form tutor or contact the Year 7 pastoral team.

We are committed to making this transition as smooth as possible for your child and look forward to working together to ensure a successful start to their secondary school journey.

Kind regards,

*J. Roberts*
