## SIGNATURE SANDWICH COMPETITION

Year 10 students from across Southport Learning Trust put their culinary skills to the test to create '**The best sandwich in Southport!**' Students were given a briefing from Tracy Holgate from Sefton Council's Tourism team to come up with a Southport Signature Sandwich for potential sale at Southport Food and Drink Festival which takes place at Victoria Park this summer. Students from schools worked with their Food & Nutrition or Catering and Hospitality teachers to design and make their sandwiches in school, with the final two winners chosen to represent their school in the grand final!

Huge congratulations to Meols Cop's Dominic, who won the competition, with his creation of the Asian Chicken Wrap. Congratulations also goes to Emma who was a finalist with her creation of the Brioche Whippy!

**Southport Learning Trust CEO, Ian Raikes said, "I was so privileged to be a judge at the final of the Trust Social Signature Sandwich Event! The food was exceptional and all judges from the catering industry found it incredibly difficult to judge. We were indebted to the support of the team at The Grand for providing chef mentors and allowing the pupils to use their amazing facilities. This was a great example of business and education working in tandem and hopefully inspiring our chefs of the future for the growing industry in Southport."**

## HOLOCAUST MEMORIAL DAY

On Thursday 27th January the school came together to remember the millions of people who were murdered during the Holocaust under Nazi persecution and the genocides which followed in Cambodia, Rwanda, Bosnia and Darfur. During Aspire time, students listened to survival stories, learnt about events that took place during the Nazi regime, and the importance of why we should all remember and reflect.

In the hall Students from Year 8 watched 'The Island on Bird Street' - a story based on the true story of the life of a young Jewish boy during the Holocaust.

# COMMUNITY DANCE FESTIVAL

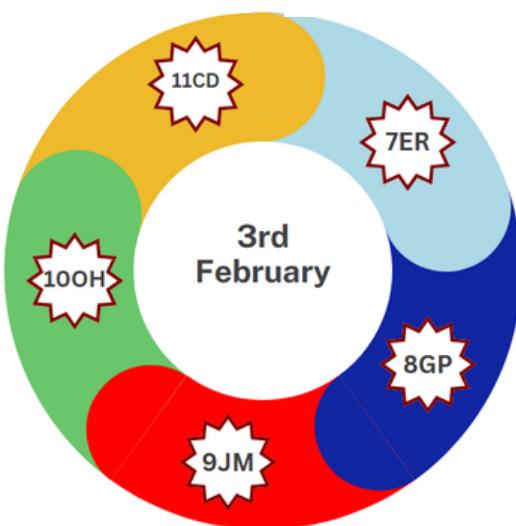

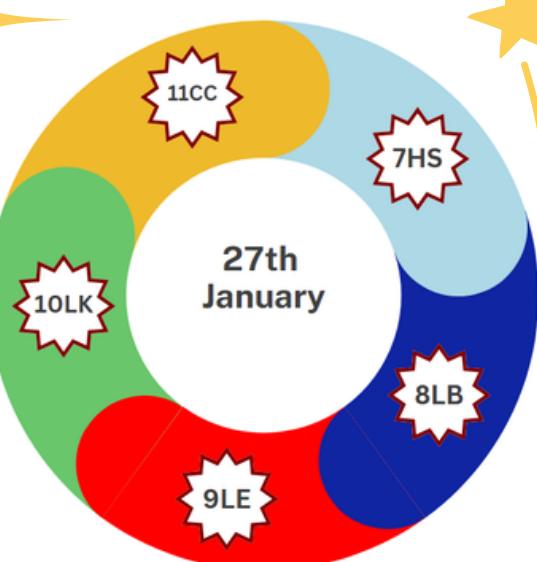

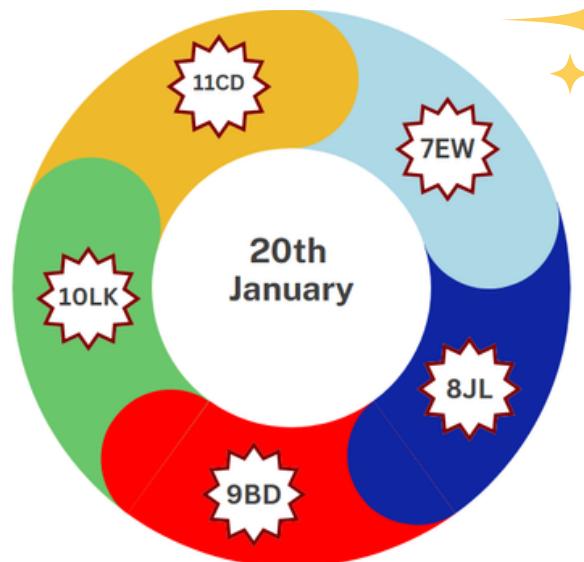

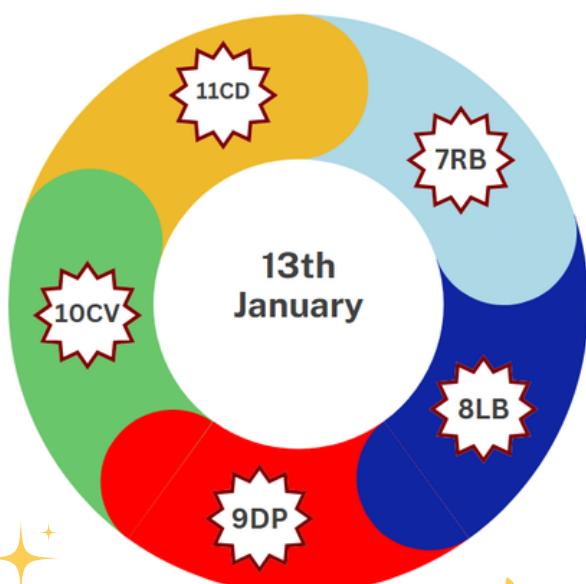

The Meols Cop Dance festival is one of the highlights in our calendar. It was delightful to welcome pupils from Linaker Primary, Kew Woods, Churchtown and BDS, and as ever, all students put on an incredible show. The dance festival provided the opportunity for students to showcase their skills, hard work and determination for both performance and choreography. Since October, each primary school has been working closely with our incredible Dance Leaders to prepare a piece for the show. Our dance Leaders aim has been to engage, prepare and motivate younger students to enjoy and explore dance.
