To Access Homework

- Use the Homework tab on the ClassCharts app
- Selecting this tab will display a list of homework tasks which your child has been assigned to.
- To see all homework set check the date range for displayed homework tasks, click on the Date button to select from the options. We recommend the Last 30 days or create your own custom date range.
 - To display tasks in the order they were set, click on the Issue Date button
 - To display tasks in the order they are expected to be handed in, click on the Due date button.
- To view a homework task in more detail, click on the expand icon in the bottom right hand corner of the homework tile.
- A popup will appear that contains the description of the homework task, the estimated completion time and any links or attachments that may have been included.
