This policy is reviewed and updated annually to ensure that access arrangements process at Meols Cop High School is managed in accordance with current requirements and regulations.

References in this policy to GR, ICE and AA refer to the JCQ publications **General Regulations for Approved Centres**, **Instructions for conducting examinations** and **Access Arrangements and Reasonable Adjustments**.

References to legislation are to the Equality Act 2010. Separate legislation is in place for Northern Ireland (see AA 1.8). The definitions and procedures in AA relating to access arrangements and reasonable adjustments will also apply in Northern Ireland.

## **Introduction**

(AA Definitions)

### **Access arrangements**

Access arrangements are agreed before an assessment. They allow candidates with specific needs, such as special educational needs, disabilities or temporary injuries to access the assessment and show what they know and can do without changing the demands of the assessment. The intention behind an access arrangement is to meet the particular needs of an individual candidate without affecting the integrity of the assessment. Access arrangements are the principal way in which awarding bodies comply with the duty under the Equality Act 2010 to make 'reasonable adjustments'.

### **Reasonable adjustments**

The Equality Act 2010 requires an awarding body to make reasonable adjustments where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. The awarding body is required to take reasonable steps to overcome that disadvantage. An example would be a Braille paper which would be a reasonable adjustment for a vision impaired candidate who could read Braille. A reasonable adjustment may be unique to that individual and may not be included in the list of available access arrangements. Whether an adjustment will be considered reasonable will depend on several factors which will include, but are not limited to:

- the needs of the disabled candidate;
- the effectiveness of the adjustment;
- the cost of the adjustment; and
- the likely impact of the adjustment upon the candidate and other candidates.

An adjustment will not be approved if it:

- involves unreasonable costs to the awarding body;
- involves unreasonable timeframes; or
- affects the security and integrity of the assessment.

This is because the adjustment is not 'reasonable'.

## **Purpose of the policy**

The purpose of this policy is to confirm that Meols Cop High School has a written record which clearly shows the centre is leading on the access arrangements process and:

- is complying with its obligation to identify the need for, request and implement access arrangements (GR 5.4)
- has a written process in place to not only check the qualification(s) of its assessor(s) but that the correct procedures are followed as per Chapter 7 of the JCQ publication Access Arrangements and Reasonable Adjustments (GR 5.4)

## **1. General principles**

The principles for Meols Cop High School to consider include:

- The purpose of an access arrangement/reasonable adjustment is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage due to persistent and significant difficulties. The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate (AA 4.2)

- Modified papers must be ordered in advance of a specific examination series, no later than the published deadline for the series concerned (AA 6.1)
- Although access arrangements are intended to allow access to assessments, they cannot be granted where they will compromise the assessment objectives of the specification in question (AA 4.2)
- Candidates may not require the same access arrangements/reasonable adjustments in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. The need for access arrangements/reasonable adjustments must be considered on a subject-by-subject basis (AA 4.2)
- Access arrangements/reasonable adjustments should be processed at the start of the course (AA 4.2) •

Arrangements must always be approved before an examination or assessment (AA 4.2)

- The arrangement(s) put in place must reflect the support given to the candidate in the centre (AA 4.2)
- The candidate must have had appropriate opportunities to practise using the access arrangement(s)/reasonable adjustments before their first examination (AA 4.2)

The main elements of the process detailing staff roles and responsibilities in identifying the need for, requesting and implementing access arrangements/reasonable adjustments and the conduct of examinations are covered in Meols Cop High School Access Arrangements Protocol.

## 2. The assessment process

At Meols Cop High School, assessments are carried out by:

- an appropriately qualified assessor(s) appointed by the head of centre in accordance with the JCQ requirements (AA 7.3)

### Details and qualification(s) of the current assessor(s)

- Lisa Cliffe, Assistant SENCo:  
JCQ Exam Access Arrangements Regulations and Procedures  
Access Arrangements for General Qualifications

### Appointment of assessors of candidates with learning difficulties

At the point an assessor is engaged/employed at Meols Cop High School:

- Evidence of the assessor's qualification is obtained and checked against the current requirements (AA 7.3)
- This process is carried out prior to the assessor undertaking any assessment of a candidate (AA 7.3)
- A photocopy of the assessor's certificate(s) (or a printout of screenshot of HCPC or SASC registration, or screenshot of other relevant qualification listing) is kept on file (AA 7.3, 7.4)

Additional information:

### Reporting the appointment of the assessor(s)

- Evidence that the assessor(s) is/are suitably qualified is held on file for inspection purposes (AA 7.4)

When requested, the evidence will be presented to the JCQ Centre Inspector by Lisa Cliffe, Assistant SENCo.

- In the case of appropriately qualified psychologists (registered with the Health & Care Professions Council), or specialist assessors holding a current SpLD Assessment Practising Certificate, who are directly employed within the centre, there is no need to record the names of these individuals within **Access arrangements online**. (AA 7.4)

- The names of all other assessors, who are assessing candidates studying qualifications as covered by AA must be entered into **Access arrangements online** to confirm their status (AA 7.4)

#### **Process for the assessment of a candidate's learning difficulties by an assessor** Meols Cop High

School confirms:

- Guidelines for the assessment of the candidate's learning difficulties by an assessor will be followed and Form 8 (JCQ/AA/LD - Profile of Learning Difficulties) will be completed (AA 7.5, 7.6)
- Arrangements must be made for the candidate to be assessed by the centre's appointed assessor (AA 7.5)
- Assessors **must** personally conduct the assessments. They **must not** sign off assessments carried out by another professional (AA 7.5)
- The assessor must carry out tests which are relevant to support the application (AA 7.5)
- A privately commissioned assessment carried out without prior consultation with the centre cannot be used to award access arrangements (AA 7.3)
- Relevant staff working within the centre should always carefully consider any privately commissioned assessment to see whether the process of gathering a picture of need, demonstrating normal way of working within the centre and ultimately assessing the candidate themselves should be instigated (AA 7.3)

Additional information:

#### **Picture of need/normal way of working** Meols Cop

High School confirms:

- Before the candidate's assessment, the person appointed in the centre must provide the assessor with background information, i.e. a picture of need has been painted as required in Part 1 of Form 8. The centre and the assessor must work together to ensure a joined-up and consistent process. (AA 7.5) Additional information:

### **3. Processing access arrangements and adjustments. Arrangements/adjustments requiring awarding body approval**

Access arrangements online (AAO) is used to apply for approval of arrangements/adjustments for the qualifications listed within the JCQ publication Access Arrangements and Reasonable Adjustments.

AAO is accessed through the JCQ Centre Admin Portal (CAP) by logging in to one of the awarding body secure extranet sites. A single application for approval is required for each candidate regardless of the awarding body used.

Deadlines apply for each examination series for submitting applications for approval using AAO.

#### **Centre delegated arrangements/adjustments**

Decisions relating to the approval of centre delegated arrangements/adjustments are made by Hayley Hinton, SENCo Lisa Cliffe, Assistant SENCo. Appropriate evidence, where required by the arrangement, is held on file by Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo.

- The use of a word processor

The Word Processor Policy (Exams) details the criteria Meols Cop High School specifically uses to award and allocate word processors for examinations and assessments.

- Alternative rooming arrangements

The Meols Cop High School Access Arrangements Protocol details the criteria Meols Cop High School uses to award alternative rooming arrangements, e.g. a room for a smaller group of candidates with similar needs (formerly known as separate invigilation).

Additional information:

### **Modified papers**

Modified papers are ordered using AAO.

- Modified papers must be ordered in advance of a specific examination series, no later than the published deadline for the series concerned (AA 6.1)
- Modified papers are individually prepared for candidates for whom other adjustments are unsuitable. The modification of papers involves additional resources. Therefore centres are required to provide the awarding bodies with early notification that a candidate will require a modified paper. (AA 6.1)
- Modified papers must not be ordered for candidates unless the centre intends to enter them for the relevant examination series (AA 6.1)
- For the adjustment to be effective, the candidate must have had appropriate opportunities to practise using an awarding body's past modified papers before his/her first examination (AA 6.1)

### **Roles and responsibilities**

When an access arrangement/reasonable adjustment has been processed on-line and approved, the evidence of need (where required) must be made available to a JCQ Centre Inspector upon request. An awarding body may also request evidence of need when considered necessary. This can either be in hard copy paper format or electronically. (AA 4.2)

Where documentation is stored electronically an e-folder for each individual candidate must be created. The candidate's e-folder must hold each of the required documents for inspection. (AA 4.2) It is the responsibility of:

- Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo to collect a candidate's consent (a completed candidate Personal data consent form) to record their personal data on-line through AAO
- Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo to complete the Data protection confirmation by the examinations officer or SENCo, prior to the processing of the online application
- Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo to submit applications for approval using AAO
- Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo to keep detailed records for inspection purposes, whether electronically or in hard copy paper format, of all the essential information on file. This includes a signed candidate personal data consent form; a completed Data protection confirmation by the examinations officer or SENCo form; a copy of the candidate's approved application; appropriate evidence of need (where required); evidence of the assessor's qualification (where required) (AA 8.6)
- Hayley Hinton, SENCo  
Lisa Cliffe, Assistant SENCo to submit applications for approval directly to an awarding body for any qualification that does not fall within the scope of AAO
- Sarah Horsfall, Examinations Officer to order modified papers

Additional responsibilities:

References in this policy to AA and ICE refer to the JCQ publications **Access Arrangements and Reasonable Adjustments** and **Instructions for conducting examinations**.

### Introduction

(Formerly known as separate invigilation) Alternative rooming arrangements (for example, a room for a smaller group of candidates with similar needs) is an available access arrangement as defined in the JCQ regulations. This is an arrangement where a candidate with an established difficulty may be eligible to take their examinations in a smaller environment away from the main examination room.

### Purpose of the policy

The purpose of this policy is to confirm the criteria when these arrangements may be considered and granted for a candidate at Meols Cop High School in compliance with the regulations.

### 1. Decisions on the awarding of the arrangement

At Meols Cop High School, decisions on the awarding of the arrangement are made by: SENCo and Assistant SENCo.

Decisions are based on:

- Whether the candidate has a substantial and long-term impairment which has an adverse effect (AA 5.16)

- The candidate's normal way of working within the centre (AA 5.16)
- Ensuring the proposed arrangement does not unfairly disadvantage or advantage the candidate (AA 4.2.1)
- Nervousness, low level anxiety or being worried about examinations is not sufficient grounds for separate

invigilation within the centre.(AA 5.16) Additional information:

## 2. Criteria for the awarding of the arrangement

Alternative rooming arrangements will be considered where the arrangement would prevent a candidate from being placed at a substantial disadvantage and where the following conditions are met:

- The candidate has an established difficulty as defined in section 5.16 of the JCQ's **Access Arrangements and Reasonable Adjustments** publication (ICE 14.18)
- The candidate's disability is established within the centre and known to relevant staff or a senior member of staff with pastoral responsibilities (AA 5.16)
- Alternative rooming arrangements reflects the candidate's normal and current way of working in internal tests and mock examinations (AA 5.16)
- Where a candidate sits their examinations in a smaller environment away from the main examination room, the regulations and guidance within the JCQ publication **Instructions for conducting examinations** will be adhered to, particularly in relation to accommodation and invigilation arrangements (ICE 14.18) Additional information:

## 3. Other rooming arrangements

At Meols Cop High School arrangements for seating candidates in rooms separate to the main cohort may be put in place in other circumstances. As and when applicable, these circumstances include: as deemed necessary after assessment by the SENCo or Assistant SENCo.

Head of centre	Martin Davis
Senior leader(s)	Jennifer Filson
Exams officer	Sarah Horsfall
Other staff (if applicable)	

This procedure is reviewed and updated annually to ensure that procedures to verify the identity of all candidates that are entered for examinations or assessments at Meols Cop High School are managed in accordance with current requirements and regulations.

References in this procedure to GR and ICE refer to the JCQ publications **General Regulations for Approved Centres** and **Instructions for conducting examinations**.

## **Purpose of the procedure**

The purpose of this procedure is to confirm that Meols Cop High School:

- verifies the identity of all students that it enters for examinations or assessments (GR 5.6)
- has processes in place to be satisfied that all candidate identities have been checked (GR 5.6)
- has written procedures in place to verify the identity of all candidates at the time of the examination or assessment (GR 5.9)

## **1. Process to check candidate identity**

### **Internal candidates**

The identity of students on roll at Meols Cop High School is checked as part of the initial registration process. (GR 5.6)

The process is:

- New students are added to the school Management Information System with the details sent electronically via CTF from the candidate's previous school and downloaded from DFE site. The details are then cross referenced with both the LA allocation list and the data packs received from parents and amendments are made if necessary. This ensures that student data is accurate.

### **Private candidates**

The identity of students (private candidates), not on roll at a centre but who may be accepted to take examinations, must be checked by a verification process which involves photo-ID. (GR 5.6) At Meols Cop High School:

- does not enter Private Candidates for examinations.

## **2. Procedures to verify candidate identity at the time of the examination/assessment**

Invigilators are able to establish the identity of all candidates sitting examinations by following the arrangements in place to carry out adequate checks. (ICE 16.1) The arrangements at Meols Cop High School are:

- Students are registered with Learning Tutors prior to the examination who then line up in seating plan order. Students are allocated seats based on a same seat policy which enables invigilators to quickly identify candidates for each exam. Students are allocated ID cards which are placed on exam desks, which includes a photograph of the candidate. Invigilators check the photo ID card against the seating plan.

The following measures are also in place:

# **Examination Contingency Policy**

Meols Cop High School

## Examination Contingency Policy

Centre name	Meols Cop High School
Centre number	34681
Date plan first created	12/03/2025
Current plan approved by	Martin Davis
Current plan reviewed by	Sarah Horsfall
Date of next review	12/03/2026

## Key staff involved in the plan

Role	Name
Head of centre	Martin Davis
Senior leader(s)	Jennifer Filson
Exams officer	Sarah Horsfall
ALS lead/SENCo	Hayley Hinton
Other staff (if applicable)	

This plan is reviewed and updated annually to ensure that exam contingency planning at Meols Cop High School is managed in accordance with current requirements and regulations.

## Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the exam process.

By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process at Meols Cop High School.

Alongside internal processes this plan is informed by the Ofqual **Exam system contingency plan: England, Wales and Northern Ireland** which provides guidance in the publication, 'What schools and colleges and other centres should do if exams or other assessments are seriously disrupted', the **JCQ Joint Contingency Plan** for the Examination System in England, Wales and Northern Ireland and the JCQ document **Preparing for disruption to examinations** (Effective from 1 September 2024).

This plan details how Meols Cop High School complies with the JCQ's **General Regulations for Approved Centres** (section 5.3, Centre management) by having in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency. The potential impact of a cyber-attack should also be considered. **Operating across more than one centre**

All centre staff are site specific.

## National Centre Number Register and other information requirements

The head of centre will also ensure that as a contingency to enable the prompt handling of urgent issues only, responds to the awarding bodies' request for information regarding the contact details of a senior member of staff (which might include a personal mobile number and/or email address). This will ensure that any urgent matters which might adversely affect candidates which arise outside of term time, and which potentially put qualification awards at risk, can be addressed by awarding bodies with the support of that member of staff. Heads of centre should ensure that this member of staff has the necessary authority to mobilise resources to provide this support, which might include resolving issues within the centre itself. (GR 5.3)

Where the head of centre may be absent at a critical stage of the examination cycle, main duties and responsibilities will be escalated in accordance with the centre's written escalation process.

Ofqual guidance extract taken directly from the **Exam system contingency plan: England, Wales and Northern Ireland - What schools and colleges and other centres should do if exams or other assessments are seriously disrupted** (last updated 5 October 2024) [www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted](https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted)

"This document was updated in October 2024 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC).

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

#### Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties ([Ofqual General Condition of Recognition A6](#)). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

#### Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see the [JCQ's notice to centres on exam contingency plans](#) and [JCQ's notice on preparing for disruption to examinations](#) in England, Wales and Northern Ireland for qualifications within its scope. **Steps you should take**

### **Exam planning**

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

### **In the event of disruption**

- Contact the relevant awarding organisation and follow its instructions.
- Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
- Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
- Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
- In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#).
- Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
- Communicate with any external assessors or relevant third parties regarding any changes to the exam or assessment timetable.

### **After the exam**

- Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.
- Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
- Ensure that scripts are stored under secure conditions.
- Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

### **Steps the awarding organisation should take**

#### **Exam planning**

- Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
- Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

#### **In the event of disruption**

- Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
- Provide effective guidance to any of their centres delivering qualifications.
- Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).

- Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
- Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

### **After the exam**

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

If any students miss an exam or are disadvantaged by the disruption

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies. See also [JCQ's guidance on special consideration](#)

### **Wider communications**

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA Regulation](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [DfE in England](#), the [DfE in Northern Ireland](#), and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service](#) (UCAS) and the [Central Applications Office](#) (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

### **Widespread national disruption to the taking of examinations or assessments**

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2024, Ofqual and the DfE published [joint consultation decisions on long-term resilience arrangements](#). As in 2024, Ofqual has provided [guidance on collecting evidence of student performance to ensure resilience in the qualifications system](#) for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2023, Qualifications Wales published [guidance for contingency assessment arrangements](#) for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on [handling strike action in schools](#) in England in light of the industrial action in 2024. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued [guidance for education settings with confirmed reinforced autoclaved aerated concrete \(RAAC\)](#) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

## JCQ

JCQ guidance taken directly from [Instructions for conducting examinations 2024-2025](#) section 15, **Contingency planning**

"15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: [www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](http://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland)

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2025. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland* - [www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](http://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland)

The designation of 'contingency sessions' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

In the event that there is national disruption to a day of examinations in summer 2025, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there

could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it was agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the re-scheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course."

The NCSC's free [Web Check](#) and [Mail Check](#) services can help protect schools from cyber-attacks. Two NCSC cyber security services, which are already helping thousands of organisations to protect their websites and email servers from cyber-attacks, are now available to **all UK schools**. Both tools are available free of charge, are quick to set up, and thereafter run automatically. More information is available from the [NCSC website](#).

The Department for Education has been asking centres to review **National Cyber Security Centre advice** following increasing number of cyber-attacks involving ransomware infections. The NCSC information supports centres in cyber security preparedness and mitigation work.

Ransomware attacks continue and the Department is reminding centres to review the NCSC advice and to take precautions. This includes ensuring that you have backups in place for your key services and data.

This policy is reviewed and updated annually to ensure that emergency evacuation from examination rooms at Meols Cop High School is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

## Introduction

An emergency evacuation is required where it is unsafe for candidates to remain in the examination room. This might include a fire, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the examination room, serious illness of a candidate or invigilator or similarly serious incidents.

- As each incident may be different, advice will be sought (if applicable) from the relevant awarding body as soon as it is safe to do so, particularly where there is concern about the security of the examination(s) (ICE 25.6)
- Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice (ICE 25.6)

## Purpose of the policy

The purpose of this policy is to confirm the arrangements at Meols Cop High School for dealing with an emergency evacuation of an examination room by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

This policy ensures compliance with JCQ regulations (ICE 25.2) which state that centres must have a written policy for dealing with emergency evacuation of the examination room which will be subject to inspection by the JCQ Centre Inspection Service.

## 1. Emergency evacuation procedure

### Actions taken in the event of an emergency evacuation of the examination room

At Meols Cop High School, the following actions (in accordance with ICE 25.3) are taken if an examination room has to be evacuated:

- Candidates are instructed to stop writing
  - The attendance register is collected (in order to ensure all candidates are present)
  - The examination room is evacuated in line with the instructions given by the appropriate authority
  - Candidates are advised to leave all question papers and scripts in the examination room. Candidates are advised to close their answer booklet(s)
  - Candidates are instructed to leave the room in silence
  - Candidates are supervised as closely as possible while they are out of the examination room so that there is no discussion about the examination
  - The time of the interruption is noted and how long it lasted
  - Candidates are allowed the remainder of the working time set for the examination once it resumes
  - If there are only a few candidates, the possibility is considered of taking the candidates (with question papers and scripts collected by the invigilator) to another place to finish the examination
  - A full report is made of the incident and of the actions taken, and sent to the relevant awarding body
- Additional actions taken:
- In the event of a fire alarm, invigilators are trained to Follow the instructions which have been provided at the invigilator training session and also displayed in each exam room.

- When/if allowed to return to the examination room, invigilators allow candidates time to settle down, reminding them they are still under formal examination conditions and that they must not open their answer booklets until instructed to do so
- Invigilators announce clearly to candidates when they may begin and how much time they have (the examination will formally restart at this point)
- Invigilators record the time the examination(s) restarted and amend the displayed finishing time(s) for all candidates to see
- Invigilators are trained to record as much detail on the exam room incident log when able to do so (ensuring candidates are continually supervised and giving complete attention to this duty at all times) and to ensure the exams officer is fully briefed at the end of the examination(s) to enable a full report to be submitted to the awarding body/bodies
- Where not allowed to return to the examination room, or the decision is made by the appropriate authority that the examination(s) cannot be resumed, the centre's examination contingency plan will be invoked and invigilators/candidates briefed accordingly at the time

Other staff (if applicable)	

This procedure is reviewed and updated annually to ensure that appeals against any decision at Meols Cop High School relating to access arrangements and special consideration or other administrative issues are managed in accordance with current requirements and regulations.

This procedure is also informed by the JCQ publications **A guide to the awarding bodies' appeals processes** (chapters 3, 7), **A guide to the special consideration process** (sections 1, 2, 6), **Access Arrangements and Reasonable Adjustments** (Importance of these regulations), **GR** (section 5.4) and **Suspected Malpractice: Policies and Procedures** (section 3.3).

## **Purpose of the procedure**

This procedure ensures compliance with JCQ regulations (GR 5.3) which state that centres must have in place and available for inspection, a written internal appeals procedure which must cover at least appeals regarding centre decisions relating to access arrangements and special consideration.

## **Access arrangements and reasonable adjustments**

Meols Cop High School will:

- comply with the principles and regulations governing access arrangements and reasonable adjustments as set out in the JCQ publication **Access Arrangements and Reasonable Adjustments**
- ensure that all staff who manage and implement access arrangements and reasonable adjustments are aware of the requirements and are appropriately supported and resourced In accordance with the regulations, Meols Cop High School:

- complies with its responsibilities in identifying, determining and implementing appropriate access arrangements and reasonable adjustments

Failure to comply with the regulations has the potential to constitute malpractice which may impact on a candidate's result(s).

Examples of failure to comply include:

- charging a fee for providing reasonable adjustments to disabled candidates

## **Special consideration**

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment.

Meols Cop High School will:

- comply with the requirements as set out in the JCQ publication **A guide to the special consideration process**
- ensure that all staff who manage and administer special consideration applications are aware of the requirements

Where Meols Cop High School has appropriate evidence signed by a member of the senior leadership team to support an application, it will apply for special consideration at the time of the assessment for the affected candidate/candidates.

### **Centre decisions relating to access arrangements/reasonable adjustments and special consideration**

This may include:

- a decision not to award/apply for a specific access arrangement/reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/reasonable adjustment or the application of special consideration

Where Meols Cop High School makes a decision in relation to the access arrangement(s)/reasonable adjustment(s) or special consideration that apply for a candidate or candidates:

To determine the outcome of the appeal, the head of centre will consult the respective JCQ publication to confirm the centre has complied with the principles and regulations governing access arrangements/reasonable adjustments and/or special consideration and followed due procedures.

Centre name	Meols Cop High School

Current procedure reviewed by	Sarah Horsfall
Date of next review	06/05/2026

### Key staff involved in the procedure

Role	Name
Head of centre	Martin Davis
Senior leader(s)	Jen Filson
Exams officer	Sarah Horsfall
Other staff (if applicable)	

This procedure is reviewed and updated annually to ensure that appeals against internal assessment decisions (centre assessed marks) at Meols Cop High School are managed in accordance with current requirements and regulations in the JCQ publications **General Regulations for Approved Centres** (GR 5.7), **Instructions for conducting non-examination assessments** (ICNEA 6.1). This procedure is also informed by the JCQ publications **Reviews of marking (centre assessed marks) suggested template for centres** and **Notice to Centres - Informing candidates of their centre assessed marks**.

## **Introduction**

Certain qualifications contain components of non-examination assessment (or units of coursework) which are internally assessed (marked) by Meols Cop High School and internally reviewed/standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation.

The moderation process carried out by the awarding body may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre marking is in line with national standards. The mark submitted to the awarding body is subject to change and should therefore be considered provisional.

The qualifications delivered at Meols Cop High School containing components of non-examination assessment/units of coursework are: GCSE, BTEC, Cambridge National Level 1/2 and Entry Level.

## **Purpose of the procedure**

The purpose of this procedure is to confirm the arrangements at Meols Cop High School for dealing with candidate appeals relating to internal assessment decisions.

This procedure ensures compliance with JCQ regulations which state that centres must:

- have in place and be available for inspection, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates
- before submitting marks to the awarding body inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking

## **Principles relating to centre assessed marks**

The head of centre/senior leader(s) at Meols Cop High School will ensure that the following principles are in place in relation to marking the work of candidates:

- A commitment to ensuring that whenever teaching staff mark candidates' work, that this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents
- All centre staff follow a robust Non-examination Assessment Policy (for the management of nonexamination assessments). This policy details all procedures relating to non-examination assessments for relevant qualifications delivered in the centre, including the marking and quality assurance/internal standardisation processes which relevant teaching staff are required to follow
- Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity

- A commitment to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher/tutor is involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking
- On being informed of their centre assessed mark(s), if candidates believes that the above procedures were not followed in relation to the marking of their work, or that the assessor has not properly applied the marking standards to their marking, then they may make use of the internal appeals procedure below to consider whether to request a review of the centre's marking

Additional centre-specific principles:

Not applicable

### **Procedure for appealing internal assessment decisions (centre assessed marks)**

The head of centre/senior leader(s) at Meols Cop High School will:

- Ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body
- Inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of work submitted
- Inform candidates that they may request copies of materials (generally as a minimum, a copy of the marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to assist them in considering whether to request a review of the centre's marking of the assessment
- Having received a request for copies of materials, promptly make them available to the candidate (for some marked assessment materials, such as artwork and recordings, inform the candidate that the originals will be shared under supervised conditions) within the period of time as specified (see **Deadlines** below)
- Provide candidates with sufficient time to allow them to review copies of materials and reach a decision, informing candidates that if their decision is to request a review they will need to explain what they believe the issue to be
- Provide a clear deadline for candidates to submit a request for a review of the centre's marking and confirm understanding that requests must be made in writing and will not be accepted after this deadline (see **Deadlines** below)
- Require candidates to make requests for a review of centre marking by addressing appeals in writing to the Exams Officer.
- Allow sufficient time for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks (see **Deadlines** below)
- Ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review
- Instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre
- Inform the candidate in writing of the outcome of the review of the centre's marking
- Ensure the outcome of the review of the centre's marking is made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body
- Ensure a written record of the review is kept and made available to the awarding body upon request • Ensure the awarding body is informed if the centre does not accept the outcome of a review

Additional centre-specific procedure:

Not applicable

- Upon request, copies of materials will be made available to the candidate within the timescales detailed in the centre complaints policy
- The deadline to request a review of marking must be made within 7 calendar days of the candidate receiving copies of the requested materials
- The process for completing the review, making any changes to marks, and informing the candidate of the outcome will be completed within 7 calendar days, all before the awarding body's deadline for the submission of marks

## **Changes 2024/2025**

(Changed) Under **Procedure for appealing internal assessment decisions**: ...inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of their work in meeting the published assessment criteria (To) inform candidates that they will need to explain on what grounds they wish to request a review of an internally assessed mark as a review will only focus on the quality of work submitted

If teaching staff at Meols Cop High School or a candidate (or his/her parent/carer) have a concern that a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

### Reviews of Results (RoRs):

- Service 1 (Clerical re-check) - This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
- Priority Service 2 (Review of marking) - This service is available for externally assessed components of both unitised and linear GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- Service 3 (Review of moderation) - This service is not available to an individual candidate **Access to Scripts (ATS):**
- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

## Purpose of the procedure

The purpose of this procedure is to confirm the arrangements at Meols Cop High School for dealing with candidate appeals relating to any centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation, or an appeal.

This procedure ensures compliance with JCQ regulations (GR 5.13) which state that centres must have available for inspection and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal.

## Post-results services At

Meols Cop High School:

- Candidates are made aware of the arrangements for post-results services prior to the issue of results
- Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking

Candidates are made aware/informed by notification via assemblies and the Meols Cop High School Rules and Regulations booklet..

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged (where applicable) are provided by the exams officer on results day.

## Centre actions in response to a concern about a result

Where a concern is expressed that a particular result may not be accurate, Meols Cop High School will:

- Look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information, etc., when made available by the awarding body, to determine if the concern may be justified

For **written** components that contributed to the final grade, Meols Cop High School will:

- Where a place a university or college is at risk, consider supporting a request for a Priority Service 2 review of marking

In all other instances:

Consider accessing the script by:

- (where the service is made available by the awarding body) requesting a priority copy of the candidate's script to support a review of marking by the awarding body deadline OR
- (where the option is made available by the awarding body) viewing the candidate's marked script online to consider if requesting a review of marking is appropriate
- Collect written consent/permission from the candidate to access the script
- On access to the script, consider if it is felt that the agreed mark scheme has been applied correctly in the original marking and if the centre considers there are any errors in the marking
- Support a request for the appropriate Review of Results service (clerical re-check or review of marking) if any error is identified
- Collect written consent from the candidate to request the Review of Results service before the request is submitted
- Where relevant, advise an affected candidate to inform any third party (such as a university or college) that a review of marking has been submitted to an awarding body

Additional centre-specific actions:

Not applicable

For **moderated** components that contributed to the final grade Meols Cop High School will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- Consult the moderator's report/feedback to identify any issues raised
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a Review of Results service 3 (Review of moderation) will not be available
- Determine if there are any grounds to submit a request for a review of moderation for all candidates in the original sample

Additional centre-specific actions:

Not applicable

### **Candidate consent**

Meols Cop High School will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a Review of Results service 1 or 2 (including priority service 2) is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent after the publication of results

Additional centre-specific actions:

Not applicable

### Centre actions in the event of a disagreement (dispute)

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, Meols Cop High School will:

- For a review of marking (Review of Results priority service 2), advise the candidate a review may be requested by providing informed written consent (and the required fee) for this service to the centre by the deadline set by the centre
- For a review of marking (Review of Results service 1 or 2), first advise the candidate to access a copy of their script to support a review of marking by providing written permission (and any required fee) for the centre to access the script from the awarding body
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (Review of Results service 1 or 2) is required, this must be submitted by the deadline set by the centre by providing informed written consent (and the required fee) for the centre to request the service from the awarding body
- Inform the candidate that a review of moderation (Review of Results service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample

Additional centre-specific actions:

Not applicable

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre by following the complaints process, referring to the Meols Cop High School complaints policy. at least 7 calendar days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of the appeal before the deadline for Review of Results.

### Appeals

Following a Review of Results outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal.

The JCQ publications **Post-Results Services** and **JCQ Appeals Booklet** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the Review of Results outcome, but the candidate (or parent/carer) believes there are grounds for a preliminary appeal to the awarding body, an internal appeal may be made directly to the centre. Candidates or parents/carers are not permitted to make direct representations to an awarding body. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet. To submit an internal appeal:

- An internal appeals form should be completed and submitted to the centre within the time specified by the centre from the notification of the outcome of the review of the result
- Subject to the head of centre's decision, the preliminary appeal will be processed and submitted to the awarding body within the required 30 calendar days of the awarding body issuing the outcome of the review of results process
- Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer)
- If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre

This policy is reviewed and updated annually to ensure that non-examination assessments at Meols Cop High School are planned for and managed in accordance with current requirements and regulations.

References in this policy to NEA refers to the JCQ publication **Instructions for conducting non-examination assessments**.

## Introduction

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting
- task taking
- task marking (NEA, section 1)

The regulator's definition of an examination is very narrow. In effect, any type of assessment that is not 'externally set and taken by candidates at the same time under controlled conditions' is classified as nonexamination assessment (NEA). 'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA'. (NEA, Foreword).

## Purpose of the policy

The purpose of this policy is to confirm that Meols Cop High School adheres to JCQ regulations relating to nonexamination assessments by:

- covering procedures for planning and managing non-examination assessments
- defining staff roles and responsibilities with respect to non-examination assessments

# **Overnight Supervision Arrangements Policy**

Meols Cop High School

## Overnight Supervision Arrangements Policy

Centre name	Meols Cop High School
Centre number	34681
Date policy first created	06/05/2025
Current policy approved by	Martin Davis
Current policy reviewed by	Sarah Horsfall
Date of next review	06/05/2026

## Key staff involved in the policy

Role	Name
Head of centre	Martin Davis
Senior leader(s)	Jen Filson
Exams officer	Sarah Horsfall
Other staff (if applicable)	

This policy is reviewed and updated annually to ensure that overnight supervision arrangements at Meols Cop High School are awarded and managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication **Instructions for conducting examinations**.

## **Purpose of the policy**

This purpose of this policy is to confirm that Meols Cop High School:

- follows the correct procedures when considering the arrangements for a candidate entered for multiple examinations timetabled for the same day
- reserves the right to exercise discretion when considering allowing a candidate to take an examination the following morning
- has appropriate arrangements in place to maintain the security and integrity of the examination(s)

## **1. Overnight supervision arrangements**

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for GCE examinations (AS, A2, A-level), including approved extra time allowances and/or supervised rest breaks, or
- more than five and a half hours for GCSE examinations, including approved extra time allowances and/or supervised rest breaks

candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays. (ICE 8.1)

- These arrangements do not apply where a GCSE candidate has five and a half hours or less of examinations in one day or where a GCE AS or A-level candidate has six hours or less of examinations in one day (ICE 8.1)
- Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted (ICE 8)
- The head of centre must be satisfied with any arrangement for overnight supervision of a candidate where necessary and must accept full responsibility for the security of the examination throughout (ICE 8)
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1)
- The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone, e-mail, internet and social media. It also extends to television and radio, which could report key details of the day's examinations (ICE 8.3)

## **2. Roles and responsibilities**

### **The role of the head of centre**

- Ensure where a candidate takes an examination the following morning, a member of centre staff or an invigilator is appointed to supervise the candidate at all times while the candidate is on the premises sitting examinations (ICE 8.2)
- Be satisfied that the arrangements maintain the integrity and security of the examination (ICE 8.4)
- Inform the relevant awarding body immediately of any known or suspected contravention of the arrangements for overnight supervision of a candidate (ICE 8.4) Additional responsibilities:

Not applicable

### **The role of the exams office/officer**

- Discuss with an affected candidate all possible options to resolve, within the same day, their timetable clash of multiple examinations, only applying overnight supervision arrangements as a last resort and once all other options have been exhausted (ICE 8)
- Re-arrange any examination that cannot be taken in the scheduled afternoon session for the following morning, ensuring if an examination is deferred from Friday afternoon, it is re-arranged for Saturday morning (ICE 8.5)
- Ensure the JCQ **Overnight Supervision** and **Overnight Supervision Declaration** forms are completed before the overnight supervision is to commence (ICE 8.4)
- Confirm the supervision of a candidate on journeys to and from the centre and overnight may be undertaken by the candidate's parent/carers or centre staff, determining a method of supervision which ensures the candidate's well being (ICE 8.2)
- Download the JCQ **Overnight Supervision Declaration** form for signing by the candidate, the supervisor and the head of centre (ICE 8.4)
- Inform the parties involved that any infringement of the conditions governing overnight supervision arrangements may lead to the awarding body being unable to accept the script and/or the application of sanctions/penalties, as detailed in the JCQ publication **Suspected Malpractice: Policies and Procedures** (ICE 8.4)
- Keep all completed forms available for inspection until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later, and not send to an awarding body, unless specifically requested (ICE 8.4)
- Ensure where a candidate takes an examination the following morning, the candidate is under centre supervision from 30 minutes after the awarding body's published starting time for the delayed examination and ensure there is no contact with other candidates (ICE 8.2)
- If a candidate is allowed to take an examination on a later day than other candidates at the centre, ensure all copies of the question paper used on the earlier day are sealed in an envelope and returned to the centre's secure storage facility until all candidates at the centre have taken that examination (ICE 8.6)

This policy is reviewed and updated annually to ensure that the special consideration process at Meols Cop High School is managed in accordance with current requirements and regulations.

References in this policy to GR, SC and ICE refer to the JCQ publications **General Regulations for Approved Centres, A guide to the special consideration process** and **Instructions for conducting examinations**.

## Introduction

Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. (SC 1)

Special consideration can only go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their assessments. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the qualification.

(SC 1)

## Purpose of the policy

The purpose of this policy is to identify roles and responsibilities within the special consideration process and confirms Meols Cop High School will submit an application for special consideration where a candidate meets the published criteria. (GR 5.9)

## Eligibility for special consideration

- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication **A guide to the special consideration process** (SC 2.3)

At Meols Cop High School, where a candidate is eligible, special consideration will be applied for at the time of the assessment in accordance with the regulations as detailed in the JCQ publication **A guide to the special consideration process**.

For candidates who are present for the assessment but disadvantaged Meols Cop High School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment.

Examples where a candidate/candidates may be eligible for special consideration include:

A candidate arrives for the examination and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:

- the candidate is kept under centre supervision (from 30 minutes after the published starting time for that examination until they begin it) while appropriate arrangements are put in place for the candidate to take the examination (ICE 7.4)
- special consideration is applied if this indisposition has had, or is reasonably likely to have had, a material effect on the candidate's ability to demonstrate his or her normal level of attainment in the examination (SC 1)
- Application for an allowance on the last paper taken in a day when a candidate has been entered for three or more examinations timetabled for the same day and the total duration of those papers is more than 6 hours (GCE and Level 3 exams) or more than 5 hours 30 minutes (GCSE, Level 1 and Level 2 exams) including any approved extra time but not any time taken for supervised rest breaks, special consideration for an allowance on the last paper taken will be applied for (SC 3.3)
- Serious disturbance during the examination (SC 2.1)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by a minor disturbance in the examination room caused by another candidate, such as momentary bad behaviour or a mobile phone ringing (SC 2.3)

### **Candidates who are absent from a timetabled component/unit for acceptable reasons**

If a candidate is absent for acceptable reasons, and Meols Cop High School is prepared to support an application for special consideration, special consideration will be applied for if the examination missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. (SC 4)

For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC 4) **Other issues**

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in **A guide to the special consideration process** and applied for where eligible. This may include, for example:

- Other certification (SC 5)
- Coursework/non-examination assessment extensions (SC 5)
- Shortfall in work (coursework/non-examination assessment) (SC 5)
- Lost or damaged work (non-examination assessment components) (SC 5)
- Candidates taking an incorrect or defective question paper (SC 5)
- Candidates undertaking the wrong controlled assessment or non-examination assessment assignment (SC 5)

Additional issues:

Not applicable

Where a candidate may be eligible for special consideration (a post-assessment adjustment) in a vocational qualification, Meols Cop High School will follow **A guide to special consideration** (section 7) and awarding body guidance to determine if, when and how an adjustment can be applied for.

### **Processing applications for special consideration**

#### **The role of the head of centre**

- Ensure all eligible applications are supported by appropriate evidence signed by a member of the senior leadership team (SC 6)

Additional responsibilities:

Not applicable

#### **The role of the exams office/officer**

- Ensure applications are processed as required by the awarding bodies
- Ensure a candidate/candidates (or a parent/carer) understands that all cases must be dealt with by the centre (SC 6)
- Ensure that special consideration is applied for at the time of the assessment
- Ensure special consideration is not applied for in a cumulative fashion and where a candidate may be affected by different indispositions, ensure special consideration is only applied for the most serious indisposition
- Keep evidence to support all applications on file until after the publication of results and provide the appropriate evidence signed by a member of the senior leadership team to support an application where this may be requested by an awarding body (SC 6)
- Meet the awarding body deadline(s) for submitting applications

Other responsibilities:

Not applicable

### **Submitting applications for special consideration**

At Meols Cop High School, where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in **A guide to the special consideration process**.

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support all applications will be kept on file until after the publication of results.

### **Timetabled written examinations**

- Applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration (where the awarding body's secure site accepts applications online)
- A single application to cover all examinations affected where a candidate is present but disadvantaged and a separate application for each day on which examinations are missed where a candidate is absent from an examination for an acceptable reason will be submitted
- Form 10 **Application for special consideration** will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification
- For cases involving groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed
- Form 14 **Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill

### **Internally assessed work**

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work for an individual candidate, this will be submitted online or by completing form 10, dependent on the awarding body

### **Post-assessment adjustments - vocational qualifications**

- Where the learner's circumstances are eligible, form 10 or form VQ/SC **Application for special consideration Vocational qualifications** will be completed and submitted to the awarding body

### **Late applications**

If, after the publication of results for a particular examination series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a senior leader is able to produce compelling evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.

## Introduction

The use of a word processor in exams and assessments is an available access arrangement/reasonable adjustment.

The purpose of an access arrangement/reasonable adjustment is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties.

The following principles are applied to access arrangements at Meols Cop High School:

- The purpose of an access arrangement/reasonable adjustment is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing them from being placed at a substantial disadvantage as a consequence of persistent and significant difficulties. The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate. (AA 4.2.1)
- Although access arrangements/adjustments are intended to allow access to assessments, they are not granted where they will compromise the assessment objectives of the specification in question. (AA 4.2.2)

- Candidates may not require the same access arrangements/reasonable adjustments in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. ALS leads/SENCoS must consider the need for access arrangements/reasonable adjustments on a subject-by-subject basis. (AA 4.2.3)
- The Additional Learning Support lead/SENCo must ensure that the proposed access arrangement/reasonable adjustment does not unfairly disadvantage or advantage a candidate. (AA 4.2.1)
- The candidate must have had appropriate opportunities to practice using the access arrangement(s)/reasonable adjustments before his/her first examination. (AA 4.2.7)

## **Purpose of the policy**

This policy details how Meols Cop High School complies with AA, chapter 4 (Managing the needs of candidates and principles for centres), section 5.8 (Word processor) and ICE, sections 14.20-27 Word processors (computers, laptops and tablets) when awarding and allocating a candidate the use of word processor in examinations.

The term 'word processor' is used to describe for example, the use of a computer, laptop or tablet.

## **The criteria Meols Cop High School uses to award and allocate word processors for examinations and assessments**

The 'normal way of working' for exam candidates, as directed by the head of centre, is that candidates handwrite their exams unless there are exceptions.

## **Exceptions**

A candidate may be awarded the use of a word processor in examinations where:

- the candidate may have an approved access arrangement in place, for example the use of a scribe/speech recognition technology
- the candidate has a firmly established need, it reflects the candidate's normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates Meols Cop High School will:
- allocate the use of a word processor to a candidate with the spelling and grammar check facility/predictive text disabled (switched off) where it is their normal way of working within the centre (AA 5.8.1)
- award the use of a word processor to candidates where appropriate to their needs (AA 5.8.4). For example, a candidate with a learning difficulty which has a substantial and long-term adverse effect on his/her ability to write legibly; a medical condition; a physical disability; a sensory impairment; planning and organisational problems when writing by hand; poor handwriting (This list is not exhaustive)
- only permit the use of a word processor where the integrity of the assessment can be maintained (AA 4.2.1)
- not grant the use of a word processor where it will compromise the assessment objectives of the specification in question (AA 4.2.2)
- consider on a subject-by-subject basis if the candidate will need to use a word processor in each specification (AA 4.2.3)
- process access arrangements/reasonable adjustments at the start of the course, or as soon as practicable having firmly established a picture of need and normal way of working, ensuring arrangements are always approved before an examination or assessment (AA 4.2.4)
- provide the use of word processors to candidates in non-examination assessment components as standard practice unless prohibited by the specification (AA 5.8.2) Meols Cop High School will not:

- simply grant the use of a word processor to a candidate because he/she now wants to type rather than write in examinations or can work faster on a keyboard, or because he/she uses a laptop at home (AA 5.8.4)

Additionally, the use of a word processor would be considered for a candidate:

- in the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course (AA 4.2.4)
- where the curriculum is delivered electronically and the centre provides word processors to all candidates (AA 5.8.4)

Other centre specific information relating to the use of a word processor: Not applicable

## **Arrangements at the time of the assessment for the use of a word processor**

A candidate using a word processor is accommodated as follows:

- Candidates are accommodated in a separate room to the main cohort. Candidates are provided with guidance to use exam specific login details.

In compliance with the regulations, Meols Cop High School:

- provides a word processor with the spelling and grammar check facility/predictive text disabled (switched off) unless an awarding body's specification says otherwise (ICE 14.20)
- (where a candidate is to be seated with the main cohort without the use of a power point) checks the battery capacity of the word processor before the candidate's exam to ensure that the battery is sufficiently charged for the entire duration of the exam (ICE 14.21)
- ensures the candidate is reminded to ensure that the centre number, candidate number and the unit/component code appear on each page as a header or footer e.g. 12345/8001 – 6391/01 (ICE 14.22)
- if a candidate is using a software application that does not allow for the insertion of a header or footer, once the candidate has completed the examination and printed off their typed script, he/she is instructed to handwrite their details as a header or footer; the candidate is supervised throughout this process to ensure that he/she is solely performing this task and not re-reading their answers or amending their work in any way (ICE 14.22)
- ensures the candidate understands that each page of the typed script must be numbered, e.g. page 1 of 6 (ICE 14.23)
- ensures the candidate is reminded to save his/her work at regular intervals (or where possible, an IT technician will set up 'autosave' on each laptop/tablet to ensure that if there is a complication or technical issue, the candidate's work is not lost) (ICE 14.24)
- instructs the candidate to use a minimum of 12pt font and double spacing to make marking easier for examiners (ICE 14.24)

Meols Cop High School will ensure the word processor:

(ICE 14.25)

- is only used in a way that ensures a candidate's script is produced under secure conditions
- is not used to perform skills which are being assessed
- is in good working order at the time of the exam
- is accommodated in such a way that other candidates are not disturbed and cannot read the screen

- is used as a typewriter, not as a database, although standard formatting software is acceptable
- is cleared of any previously stored data
- does not give the candidate access to other applications such as a calculator (where prohibited in the examination), e-mail, the Internet, social media sites, spreadsheets
- does not include graphic packages or computer aided design software unless permission has been given to use these
- does not have any predictive text software or an automatic spelling and grammar check enabled unless the candidate has been permitted a scribe or is using speech recognition technology (a scribe cover sheet must be completed), or the awarding body's specification permits the use of automatic spell checking
- does not include computer reading (text to speech) software unless the candidate has permission to use a computer reader
- does not include speech recognition technology unless the candidate has permission to use a scribe or relevant software
- is not used on the candidate's behalf by a third party unless the candidate has permission to use a scribe

### **Portable storage medium**

Meols Cop High School will ensure that any portable storage medium (e.g. a memory stick) used:

(ICE 14.25)

- is provided by the centre
- is cleared of any previously stored data

### **Printing the script after the exam has ended**

Meols Cop High School will ensure:

(ICE 14.25)

- the word processor is either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium
- the candidate is present to verify that the work printed is his/her own
- a word processed script is attached to any answer booklet which contains some of the answers
- where an awarding body may require a word processor cover sheet, this is included with the candidate's typed script (and according to the relevant awarding body's instructions) (ICE 14.26)
- if a candidate omits to insert the required header or footer, he/she is instructed to handwrite the details as a header or footer; the candidate is supervised throughout this process to ensure that he/she is solely performing this task and not re-reading their answers or amending their work in any way (ICE 14.22) Meols Cop High School:
- may retain electronic copies of word processed scripts as the electronic copy of a word processed script may be accepted by an awarding body where the printed copy has been lost. However, the centre would need to demonstrate to the awarding body that the file has been kept securely. The head of centre would be required to confirm this in writing to the awarding body (ICE 14.27)

Other centre specific information relating to arrangements at the time of the assessment:

Candidates are asked to sign and verify the printed work is their own before leaving the exam room.

## **Allocating word processors at the time of the assessment**

Appropriate exam-compliant word processors will be allocated by: • the

Exams Officer in liaison with the IT department and SENCo.

In exceptional circumstances where the number of compliant word processors may be insufficient for the cohort of candidates approved to use them in an exam session:

- the cohort will be split into two groups
- one group will sit the exam earlier than or later than the awarding body's published start time
- the security of the exam will be maintained at all times and candidates will be supervised in line with section 7.2 of ICE
